I gave Kris a copy to send back with Gary. I was told it was in your packet. Our goal was to include some of the PPT review conclusions in the letter as a demonstration of our thorough review and support for the special session. Recent discussions have still left a question on how to address heavy oil. We were hoping to give you a quick update and have you in town when the letter goes out (monday would be great) so you are not out when legislators respond to the press.

Mike

Subject: Session

Hi Kyle: I realize now one of your questions yesterday was, "Since the ELECTION have you spent more time working in Juneau (or elsewhere)..."

We'd been talking about the legislative session, so I thought you were asking, "Since the SESSION..." And my answer was based on that wrong assumption re: leg session.

Since being sworn in as Gov I've worked out of Juneau more than elsewhere, obviously, as

I was in Juneau most entirely from January through end of May. Since the session ended I've spent more time traveling AK and working out of the Anchorage office.

I apologize for jumping to a conclusion on what question you were asking.

Thanks Kyle.
